

**5/14/2021**

**A MESSAGE FROM MAYOR ANNETTE IAFALLO – NEW BRANCH PICKUP SCHEDULE STARTING JUNE 1**

*In an effort to reduce the amount of debris visible on our city streets on a daily basis, we're making a change to our branch pickup schedule.*

*Starting June 1, branch pickup will change from regular garbage day to a separate day of the week based on property location:*

- For FOURTH AND THIRD WARD properties, branch pickup will be every Tuesday*
- For FIRST AND SECOND WARD properties, branch pickup will be every Thursday*

*This new branch pickup schedule WILL BEGIN ON JUNE 1 AND RUN THROUGH OCTOBER 15.*

*Remember to place all branches at the curb with the cut ends facing the street. And please make an effort to put them out as close to pick-up day as possible, preferably the day before.*

*Grass and yard material WILL continue to be picked up on regular garbage day. Grass and yard material MUST be put in separate open containers or clear bags only.*

*Any questions can be directed to the DPW Garage at 827-6406.*

*As always, stay safe and God bless*

*Annette*

*Note: This message was also sent to those who signed up to receive phone notifications through the Code Red system.*
